OR

Our Services:

We empower creators with end-to-end talent management, guiding them from brand partnerships to career growth. For brands, we deliver seamless and impactful campaign execution, ensuring the right talent and measurable success.

For Talent Management:

One Liner: We guide creators through each step of their journey, actively supporting their growth from brand collaborations to broader career opportunities.

Pointers

- Ideal brand partners: Matching creators with brands that align with their audience and values.
- Deal negotiation: Secure fair, beneficial deals that maximize creator value.
- Live event coordination: Managing logistics so creators can focus on performing.
- Content strategy support: Guiding creators in crafting content that resonates with their audience.
- Opportunity exploration: Identifying new collaborations, from brand deals to OTT and movie opportunities.
- End-to-end management: Overseeing the creator's entire professional journey.

For Influencer Marketing:

One Liner: We work closely with brands to connect them with fitting talent and deliver well-executed campaigns designed to achieve impactful outcomes.

Pointers

- Creator alignment: Pairing brands with creators whose audience fits their goals.
- Custom strategy: Crafting influencer campaigns tailored to brand objectives.
- Campaign execution: Handling the full process from outreach to delivery.
- Performance tracking: Monitoring results and reporting key campaign metrics.
- Seamless coordination: Managing communication between brands and creators smoothly.
